2021-2022 NEW CASE ANALYSIS

公司简介

Lesui (Shanghai) Industrial Co., Ltd. was established in 2013, located in Shanghai, with a registered capital of 20 million yuan. The company owns the "LS" brand and the sub-brand of "SGL". Our mission is to make people's lives more convenient and more refined. Our vision is to become a trustworthy food packaging integrated solution service provider, and become the preferred brand of safe, environmentally friendly and innovative food packaging. Our values are customers first, respect, care, trust, collaboration, integrity, responsibility, innovation, and excellence. We are willing to carry such a mission, hold on the ticket of "vision" to the future, use "Lesui people's own values" to prop up the sail in full bloom, and serve every customer with the utmost care. Lesui group has a total investment of more than 200 million yuan, a production capacity of 60,000 tons, and an annual output value of more than 600 million yuan. Our company currently employs more than 600 people. As the first professional fresh packaging brand in the industry, it relies on rich cases and practical

experience (serving many well-known supermarkets and fruit and vegetable chain brands), as well as its own advanced equipment efficiency advantages, design, technology, and scale advantages. The SGL sub-brand is already a unique influential service provider and professional manufacturer of vegetable and fruit packaging solutions in the industry. There are two production bases in Zhejiang province and Anhui province, including Zhejiang Lesui New Material Co., Ltd. and Anhui Lesui New Material Co., Ltd. The total plant area exceeds 60,000 square meters. The company has established service and logistics distribution centers in key cities (Shanghai, Zhejiang, Chengdu, Beijing, Wuhan, Guangzhou, and Anhui) to achieve rapid response and coordination capabilities across regions. Products include transparent fruit and vegetable containers, salad containers, fruit cutting boxes, fruit and vegetable trays, cold meat containers, sushi tray, pastry boxes, fresh fish packaging and other food packaging containers. And we can provide customized services, according to

customer's needs and product characteristics, provide corresponding exclusive solutions.

The company adopts advanced production equipment and first-class assembly lines, strictly in accordance with the national food packaging standards for safe production, and obtains the QS production license, the ISO22000 quality system provides a strong guarantee for the control of product quality. We have 12 German KIEFEL KMD78 model automatic production lines and 20 domestic advanced automatic forming, cutting and punching machines, 30 automatic thermoforming production lines, 50 cutting punches, 10 punching machines, etc. We are committed to providing high-quality food packaging containers and fruit boxes, which are trusted by customers for their stable safety and good

quality.

After nearly ten years of development, our company has established a good reputation in the fields of fruit and national supermarkets, and has become a leading brand in the industry. We have served a number of well-known boutique supermarkets and fruit and vegetable chain brands, typically such as Wingmau, Zespri, Goodfarmer and other well-known planting and distribution enterprises, and large national chains such as RT-Mart, Freshhema, Yonghui Superstores, Pagoda and Xianfengsg. Our company is a director unit of CFMA and a well-known brand of 2019 China Fruit Service Provider.
